

UVA Members Making a Difference since 1982 by:

- Notifying affected landowners of the upcoming sale of underlying gas mineral rights by the Bureau of Land Management in 2005.
- Improving county land use by winning new standards for the regulation of gravel pits and for the notification of neighbors of proposed developments.
- Spearheading citizen input on the Resource Management Plan for the newly formed Gunnison Gorge National Conservation Area.
- Breathing new life into a floundering Recycling Center in 1998, and convincing the City of Montrose to establish a Citizens Recycle Task Force.
- Working to defeat plans to host a low-level radioactive waste dump in the West End of Montrose County.
